

Cub Scout Tracks

March 2006 • Pack 161 Newsletter • Gray Owl District • Circle Ten Council

It is time to camp again! Get your gear ready for the weekend of April 7th-9th, that is when we will meet at Eisenhower State Park for a great time! **If you haven't done so, please sign-up and pay tonight.** 2-3 families in the same den will share a site.

We plan to stay busy with outdoor activities, including something new for us, a Rain Gutter Regatta! If you like to fish, there is plenty of water, so bring your tackle (no license needed if fishing from shore of park). On Saturday night there will be a special Arrow of Light Ceremony for the boys who have completed Cub Scouts. Plan to bring your flashlight and chairs to this and also wear good walking shoes. This is a special ceremony that everyone will enjoy.

Dens will cook the Saturday evening meal together, all other meals are up to your family. We will have our dessert Pig-Out on Saturday evening, please bring a yummy, homemade dessert to share.

This is a state park and we need to remember no firearms, no fireworks and no alcohol.

**Get ready to
camp-out!**
