

If you have not joined yahoo groups for 161 please do join the group it is the best way for the Pack information to be distributed. Here is the site to enroll and the directions to do so.

<http://pack161.org/>

Click on “[Click to join 161cubs](#)” button on the right side of the screen.

That will take you to the Yahoo groups page where you can log in with your account if you already have one or if you have forgotten your password there is a link for you also. But to join there is a link on the right side below the sign in section “[Sign Up](#)” looks like the window below.

You will now create an ID for yahoo groups by filling out the information it will also create an email account for you if you need one.

You will have to wait until the account is approved for access by one of the mediators in the group.

If you have any problems contact one of the leaders and they will assist you in finding the answer to your problem.
